ReplaceXL - the most affordable brand name for replacement parts that Feb 09, Ordering was simple and easy to navigate. Price was much lower than local car parts store. Phillip Harris. Purchased on Jan 30, Jan 26, Wiring harness issue. Shipping was good. Item arrived on time and in good condition. Only 3 stars because one of the bulbs did not match the original fitting which would have required changing the entire wiring harness. The provided wiring harness however did not match the original. I spliced the one different bulb to the existing harness to make it work. Mark Kachler. Purchased on Jan 14, Jun 11, New lifetime customer. Looked it! This was my first time ordering and I'm not a mechanical person. I needed to replace my broken tail light to pass the state inspection and this light was the exactly what I needed. I was a simple job, just unscrew 2 screws and unplug the cord. I was done! Thanks a lot. Kenric Henry. Purchased on May 28, Show More. Helpful Automotive Resources. Contact Us. As a part of the lighting system, a fully functional tail light is important to ensure safety of the passengers, other motorists, and pedestrians. If a tail light in your ride is broken, it increases your chance of getting involved in a rear collision, which is quite a hassle and costly as well. Whether for customization or replacement purposes, suppliers offer a wide assortment of tail lights, so you'll surely get one that's perfect for your ride. Here are some helpful tips in choosing the best GMC tail light for your vehicle:. Before buying a new set of tail lights, you have to verify first if the ones you are planning to purchase are legal in your residing country or state, as some locations prohibit certain colors such as red, green, and blue. Always check first to avoid spending bucks for tail lights that you can't use legally on the road. Below are the main types of lights to help you select the appropriate ones for your GMC:. To customize your GMC tail light, you may opt for Euro lights. This type of rear light offers clear or slightly tinted exterior lenses and colored bulbs. Considered as a fashionable aftermarket personalization, some Euro tail light models are designed in chrome or fitted with protectors to shield the acrylic. Always take note of your vehicle make, model, year, or edition first before finalizing any purchase. By so doing, you can avoid wasting any money or effort and save yourself from the hassles and inconveniences of purchasing the wrong product. As one of the biggest automakers in terms of sales, the demand for replacement parts for frequently repaired components like GMC tail lights have continued to grow. Aftermarket GMC tail lights are designed to function exactly the same. There are also instances where they function better than OEM. These are sold individually, in sets of two, or as part of a kit. General Motors Co. Headquartered in Detroit, Michigan, the company is responsible for manufacturing well-known vehicles under brands such as Cadillac, Chevrolet, Buick, and GMC. Who manufactures genuine GMC tail lights? GMC has a network of over 70 suppliers that manufacture individual parts and systems for their brands. The automaker takes pride in designing and manufacturing its own exterior lighting systems under their GMC Lighting Studio. Because these parts carry the GMC brand, their availability is limited to authorized dealerships and parts retailers. OEM parts will also typically cost you more. Does this make them of lower quality? Absolutely not. At the minimum, they are designed to function exactly the same. There are also cases where they work better than OEM parts. The biggest advantage of choosing aftermarket tail lights is that you have a wider variety of brands to choose from at very competitive price points. The short answer is yesâ€"if sourced from a reputable parts retailer such as CarParts. Like with any item you purchase in-store or online, the quality of the product will depend on the manufacturer. At CarParts. For instance, GMC Sierra tail lights may cost less than parts for the model. Each model year and generation of GMC vehicles carry parts that vary in design and fit.
